Dear Colleagues,
It gives us great pleasure to welcome you to the 1st Laparoscopic Surgery Workshop organized in Nagaland, on 10th September 2022, at CIHSR. This program has been initiated for surgeons to continue improving their skills after a long period of inactivity due to the pandemic.
We are indeed fortunate to have a team of nationally renowned surgeons (from AMASI) with great enthusiasm to enhance our knowledge and skills. This workshop is also an opportunity for young surgeons to interact and learn from the best.

Let us take this time to meet and have a wonderful learning experience together. Do come and participate, make this program a memorable one.
